

JSIS/Business Israel & the Palestinian Territories

The Promise and Limits of Global Business Innovation

Summer A 2019 12 Credits, I&S and DIV

- **Term/Dates:** Summer A 2019 -- June 24-July 21, 2019
- **Credits:** 12 Credits: JSIS 397 & IBUS 490; I&S and DIV
- **Faculty:** Noam Pianko (JSIS) & Tracey Seslen (Foster)
- **Participants:** All Students Welcome -- No Prerequisites.
- **Language:** English
- **Deadline:** January 31, 2019

Meet with Israeli and Palestinian business and technology leaders while traveling the country to learn about the historical, cultural, and political context that has generated, and resulted from, Israel's business and technology innovations. Perfect for students curious about the impact of technological innovation on human society and the importance of the humanities as a framework for shaping sustainable and equitable business practices.
